Village of Hainesville
Wetland, Open Space and Woodland Committee
July 12, 2012 Meeting Minutes

Meeting opened at 7:03 pm at the village hall.

Attendees: Georgeann Duberstein, Trustee and committee chairperson; David Criz, George Duberstein, Mike Peterson, Thomas Bergonzini, Jim De Nomie, Barbara Jersey, Dave Coulter of Native Restoration Services

Minutes of May 3rd meeting were approved.

Old Business: The variation of fences along Hainesville Road is because they are individually owned and the village does not want to take on the cost and responsibility for them.

George, David and Georgeann walked the path to determine location for the bench. We liked the northwest area.

Russ Kraly, village building inspector, sent letters to six residents along Tall Oak reminding them that they must remove all encroaching personal plants and objects in the conservancy.

New Business: An application was submitted for the Governor's Home Town Award for Beautification and Sustainability for the volunteer work during 2011.

Cranberry Lake path is getting narrow in spots.

Tree limb down on a fence before the first road as you go northwest.

Next meeting September 20th.

Respectfully submitted,

Georgeann Duberstein, Chairman
