

**Community Relations Committee Meeting**  
**July 21<sup>st</sup>, 2011**

Meeting called to order in Mayor Linda Soto's office at 10:05 a.m.

In attendance was Mayor Linda Soto, Trustee John Derenoski, Public Works Jeff Gately and Clerk Kathy Metzler.

Establishment of quorum

Mayor Soto announced that we have received sponsorship from Ancel Glink, Veolia, Martin Services and Strang Funeral Home. Another sponsorship mailing went out yesterday.

John is still trying to connect with Glunz if they will have a booth or not. Jeff is going to the VFW today to drop off the Liquor License Application and to confirm that we would like them to sell hot dogs and hamburgers in the evening.

Discussion took place regarding the layout and we are going over to the park after our meeting to decide the layout. Linda will discuss with Chief McCutcheon the police area to keep clear and to have two to three handicap parking spaces.

Linda has tried to contact the Grayslake National Honor Students by email and it was returned. She will call a counselor that she knows to see if she can get a contact person for the NHS.

Kathy will email Shannon from the Round Lake Chamber to see if she has any contacts for the Army and lemonade vendors. Kathy suggested videotaping parts of the fest and put it on our website so that people will see what took place if they were unable to attend.

Jeff will check into the colored bracelets for the rides and for the VFW showing that people have been carded. We did decide on No Glass Bottles allowed in the park. Also thinking about door prizes. Discussed having the clubs selling water, maybe doing a bake sale or doing games and they get to keep the proceeds and this will be placed on the website. Kathy will get a Rubbermaid container to put the filled popcorn bags in for passing out.

The next meetings are scheduled for Thursdays, July 28<sup>th</sup>, August 4<sup>th</sup>, 11<sup>th</sup>, 18<sup>th</sup>, 25<sup>th</sup> and September 1<sup>st</sup> all at 10:00 a.m.

We all left at 11:40 a.m. to go over to the park to discuss the layout. The meeting ended at 12:20 p.m.

Respectfully,

Kathy Metzler
