

PUBLIC SAFETY COMMITTEE REPORT

DATE: September 27, 2011

TIME OPENED: 6:15 pm

PRESENT: Trustee's Kriese and Daley, Resident Mark Typlin

Old Business:

Pedestrian Crossing at Tall Oak and Hainesville Rd:

Trustee Kriese received literature on several designs of Rectangular Rapid Flashing Beacons (RRFB) from LCDOT. A discussion on which to pursue was had. A letter will be sent to LCDOT to request requirements for installation of these signs and cost of the RRFB, signs and posts.

--It was decided to pursue the two sided flasher style. Trustee Daley will contact Mundelein Public Works regarding their RRFB. We wish to know if there are costs beyond the purchase and installation price.

Bike Path on Hainesville Rd Safety issue:

Letter was sent to Jon Nelson of LCDOT on Sept. 13, 2011.

--No reply as of yet.

Emergency stop signs at traffic light intersections:

Mayor Soto stated to Trustee Kriese that she will bring up the stop sign topic to IDOT when she has a meeting with them on other issues later this month.

New Business:

Mayor Soto informed Trustee Kriese that the Public Safety Committee will be in charge of the project to purchase and install back-up generators for both the Village Hall and the Public Works Building.

--The committee will research this project and present information to the Mayor.

TIME CLOSED: 6:40 pm
