

PUBLIC SAFETY COMMITTEE REPORT

DATE: May 22, 2012

TIME OPENED: 6:15 pm

PRESENT: Trustees Kriese and Daley, resident Mark Typlin

Old Business:

Trustee Kriese was informed by Jon Nelson of LCDOT that the Hainesville Road marking for the pedestrian crossing cannot be done. The markings would fall right in the middle of the intersection and that would cause blocking of the intersection or interfere with the right turn lane. He suggested that so see if the pedestrian crossing could be moved to mid block. This will be looked into by Trustee Kriese if it would be feasible to do and at what cost.

Signage was ordered but has not been delivered for both intersections, at Big Horn and Tall Oak.

There was discussion on the new mission statement for the Public Safety web page.

New Business:
