

## PUBLIC WORKS COMMITTEE MEETING MINUTES

June13, 2012

Opened 6:30pm

Present : Jeff Gately, Gary Walkington, Walter Kriese and Terry Grom

Approval of May meeting minutes

Business:

The water main extension is delayed due to the UST that was hit on the De Bruyne property. We are waiting for the fire marshal to give us the go ahead to resume.

We are having Rick Leber from Manhard consulting put together specs to have the water tower painted. We also want to do a full inside tank inspection to see if there are any issues that need to be addressed.

Due to the lack of rain, we are reminding residents about our watering restriction ordinance.

Adjourned 8:00pm

Respectfully Submitted
