

PUBLIC WORKS COMMITTEE MEETING MINUTES

September 12, 2012

Opened: 6:30pm

Present: Jeff Gately, Gary Walkington, Walter Kreise, Terry Grom and Walter Willis.

Approval of August meeting minutes

Business:

Garbage contract is set to expire January 2013. We have had a lot of interest from hauling companies to bid for our hauling needs. I have asked Walter Willis from SWALCO to help us put together hauling specs for the Village so we get quotes. There are some items that need to be discussed as to what type of service the Village wants. Limited or unlimited, leaf collection, larger recycling carts etc. Once the Village has agreed on the services we are seeking, Walter will summon quotes from hauling companies.

The bid opening for the water tower project will be September 21, 2012 at 9:20 am. We will then award the winning bid at the Regular Board meeting on September 25, 2012.

Adjourned 7:40 pm
