

PUBLIC WORKS COMMITTEE MEETING MINUTES

October 11, 2012

Opened: 6:30pm

Present: Jeff Gately, Walter Kreise, Terry Grom.

Approval of September meeting minutes

Business:

We are looking at getting a second quote to repair the lift station pump that failed at well one. Walter has provided information to the committee that we will follow up on.

We are getting a quote to have some trees and shrubbery removed at the corner of E Big Horn and Hainesville Road. There is a visibility issue with the bike path.

Adjourned 8:00 pm

Respectfully Submitted

Jeff Gately
