

## **PUBLIC SAFETY COMMITTEE REPORT**

**DATE: June 25,2013**

**TIME OPENED: 6:00 pm**

**PRESENT: Trustee Daley and Trustee Kriese**

### **Reports:**

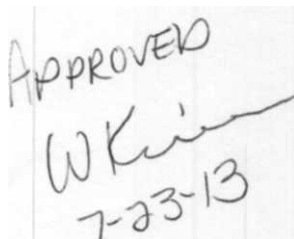

Trustee Kriese had a meeting, on May 15<sup>th</sup>, with Mayor Soto, Paula Trigg, Jon Nelson and Emily Karry of Lake County Division of Traffic. The topic was the RRFB permit for the intersection of Tall Oak and Hainesville Rd. Our quote was reviewed to make sure we're in compliance and minor changes were needed. Had the original quote updated to reflect the changes? This lowers the cost by \$1300.00. The needed documentation for the RRFB was submitted to Greg Gruen, from Manhard, so he could apply for the permit. No further update on whether the permit has been approved.

### **Discussion:**

Police and Fire Department reviews. Do we need to put in place a quarterly review of the reports given to us by the Police and Fire Departments to determine which areas we need to improve on? We will further monitor and review this later.

Questions on the police report came up. They were going to be submitted to Mayor Soto for clarification.

**TIME CLOSED: 6:15**
