

PUBLIC WORKS COMMITTEE MEETING MINUTES

March 13, 2013

Opened 6:30pm

Present: Jeff Gately, Gary Walkington, Walter Kriese and Terry Grom.

Approval of February meeting minutes.

Business.

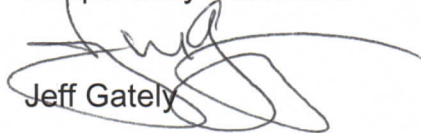

Terry Grom reported that well one is now back on line. The well was replaced and the tube brush cleaned. We will have the DVD of the project for files shortly.

We have been made aware that we received a grant for the EAB infestations that have plagued the whole Chicagoland area. We are will be starting this project in the summer.

We have received one bid for the Village entrance's rehab and maintenance. I am reviewing and calling references.

Adjourned 8:50pm

Respectfully Submitted

Jeff Gately
