August 14, 2013

Meeting opened at 6:30 pm

Present: Jeff Gately, Gary Walkington, Walter Kreise and Terry Grom

Business:

Approval of June and July committee meeting minutes.

The water tower project is just about completed. With all of the extra work that was needed the project ran longer than anticipated. We are expecting to have the tower back in service on August 19<sup>th</sup>.

We have discovered that there were some issues well one that were discovered during this project. We are in the process of correcting those, and should have everything buttoned up by the end of next week. We are still looking to have a sit down with Manhard to discuss maintenance issues and how we are going to correct them. We are very pleased with our painting contractor Jetco. The tower looks great.

Meeting adjourned at 8:15pm

Respectfully Submitted

Jeff Gately
