

## PUBLIC WORKS COMMITTEE MEETING MINUTES

October 8, 2014

Opened 6:30pm

Present: Jeff Gately, Gary Walkington, Terry Grom and Walter Kriese

Approval of September minutes

Business.

Terry Grom reported that the new flow meter will be installed on the 15<sup>th</sup> of October. I will have Chris Electric on hand should there be any programming issues. This meter is supposed to be compatible with the electronics that we currently have in the cabinet.

Trees are down, stumps have started to be removed.

Cranberry lake resurfacing is underway. We are supplying alternate parking for Holiday lane residents in the field off of Cranberry Lake Drive at rt 134.

Adjourned 7:30pm

Respectfully Submitted

Jeff Gately
