

PUBLIC SAFETY COMMITTEE REPORT

DATE: August 26, 2014

TIME OPENED: 6:00 pm

PRESENT: Trustee Kriese and Daley

Approval of the minutes for the June 24, 2014 meeting.

Review of the July Police report.

Discussion on Hainesville Road safety concerns about the gas mains being exposed to a vehicle leaving the road. There was one ruptured by a vehicle and almost a second incident last this month. What can be done to protect these gas mains?

Guardrail down Hainesville Rd was discussed. Trustee Daley stated that guardrails are unattractive and whether some other alternative. A berm can be constructed using heavy stone. Cost of these items were going to be looked into.

Time Adjourned: 6:15 pm.
