

## PUBLIC SAFETY COMMITTEE REPORT

**DATE: October 28, 2014**

**TIME OPENED: 6:15 pm**

**PRESENT: Trustee Walter Kriese, Trustee Gerry Daley, Mayor Linda Soto and Police Chief Phil Perlini**

Approval of the minutes from the September meeting.

Discussion was held on responses from residents about the pedestrian crossing, RRFB, at Tall Oak and Hainesville Rd. Conclusion was better signage was need at this intersection. Mayor Soto informed us that LCDOT has said they will look into this from prior discussion with them on this subject. After better signage is installed, Chief Perlini stated, the police would better monitor the intersection for violators.

Discussion was held on how to get Lake County Dept of Transportation to make Hainesville Rd safer with either guard rails or lower speed limits. Mayor Soto and Chief Perlini would send letters to LCDOT with their concerns and suggestion on this matter.

**Adjournment: 6:45pm**
