

PUBLIC SAFETY COMMITTEE REPORT

DATE: March 24, 2015

TIME OPENED: 6:15 pm

PRESENT: Trustee Kriese, Daley, Hein and resident George Duberstein

Approval of minutes from January's meeting.

Trustee Kriese informed the Committee on the results of the meeting between the Mayor, Police Chief, Jeff Gately and LCDOT, on the Tall Oak crossing and Hainesville Road safety.

The outcome was a temporary sign in the middle of the road to be removed nightly and the pedestrian crossing signs were to be moved back to allow motorists more time to recognize pedestrians in the crosswalk. Also, the speed limit will be lowered on Hainesville Road during construction on Washington.

Adjournment: 6:30pm
