

March 23rd, 2010 Community Relations Committee Meeting Minutes

Community Relations Committee Meeting Held on Tuesday March 23, 2010

Attendance:

John Derenoski
Georgeann Duberstein
George Duberstein

I personally thanked Georgeann and George for being able to attend the install of the new equipment that we got from Best Buy and with special thanks for George for running back and forth to the store to purchase things that did not arrive.

John brought up that with the new equipment and website we need to focus on setting up a Facebook page and a Youtube page so that we can post meeting updates and the video recorded meetings on the website.

Georgeann ask about the benefit of a Facebook page and John went into an explanation.

We went out to look at the new equipment and make sure it was set up correctly to try it all out.

Meeting Adjourned 6:49 pm
