

Community Relations Annual Committee Report - April 27th, 2010

Community Relations Committee Activity Report: May 2009 - March 2010

The Following is a list of projects activities that the Community Relations Committee achieved in the past year by either the committee as a whole or the committee chairperson:

1. Meet with several website designers and reviewed proposals for a new website for the village.
2. Selected and procured funding and board approval for new website designer John Wondrasek of Wondrasek Creative to design and build new website.
3. Meet with several audio visual equipment retailers and installers to get audio visual equipment for the village hall.
4. Selected Best Buy for Business to purchase and install audio visual equipment for the village hall which includes but is not limited to drop down screen, video recording equipment, and a projector blue-ray disc player.
