

**IMPORTANT ANNOUNCEMENT
PLEASE READ**

The map on the reverse side shows potential parking restrictions currently under consideration for the Village of Hainesville.

There will be a presentation and an OPEN discussion concerning these restrictions at the Tuesday, April 11th Village Board Meeting which starts at 6:30 p.m. at the Hainesville Village Hall.

Due to an increase in parking challenges and concern for Public Safety this map was put together with input from Public Works, the Police Department and some preliminary discussion with the Village Board.

The Board wishes to hear your thoughts prior to enacting any changes in our parking ordinance.

Map Legend:

Yellow--existing restrictions

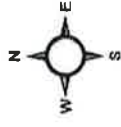

Red Narrow--no parking at any time on that side of the street.

Red Wide--no parking at any time on either side of the street.

If you cannot attend the Board Meeting please send your questions or concerns to TrusteeDaley@hainesville.org
