MARCH 2017

## **KISS YARD WASTE STICKERS GOOD-BYE!**

**Yard waste season runs April 1<sup>st</sup> through November 29<sup>th</sup>, 2017**

The Village Board is happy to announce that due to a successful negotiation with Advanced Disposal for a contract extension, Yard Waste Stickers will no longer be required. Yard waste may be disposed of in a paper disposable yard waste bag or a standard waste container marked with an "X". Branches may be bundled not exceeding 4 feet in length, and 18 inches in diameter and under 50 pounds. Yard waste material that is not properly prepared will not be collected.

Effective May 1<sup>st</sup>, 2017 there will be a \$1 increase in your monthly garbage rate. This is quite a bargain considering it includes unlimited yard waste pick-up each week without having to buy individual stickers for each container or bundle. Last year these sold for \$2.60 each! The electronic recycling bin will continue to be available and maintained by Advanced Disposal at the Public Works Building on the north side. Please remember electronics cannot be placed curbside but can be placed in the bin at Public Works.

***All garbage containers need to be stored on the side of the house, in the backyard or inside the garage, NOT IN FRONT OF THE GARAGE OR HOUSE!***

---

**CONSOLIDATED ELECTION - TUESDAY, APRIL 4, 2017- Polling Hours 6:00 a.m. to 7:00 p.m.**

**HAINESVILLE VILLAGE HALL, 100 N. HAINESVILLE ROAD, HAINESVILLE IL 60030**

Elect county-wide Officials for Municipality, Library, Park District, School Districts & Township. The Village of Hainesville has six candidates running for three available Trustee seats and one Mayoral candidate. These Boards make decisions that impact your local daily life. Please vote!

## EARTH DAY VILLAGE CLEAN UP, SATURDAY, APRIL 22<sup>ND</sup>

The Village will hold its annual Village clean up on Earth Day, Saturday, April 22<sup>nd</sup> from 10:00 a.m. to noon with Sunday the 23<sup>rd</sup> as the rain date. A pizza party will follow for all participants. We will meet at Tall Oak Drive and Hainesville Road at 10:00 a.m. Wear shoes you can get dirty. We will supply latex gloves, visible vests, trash bags and water.

We will be cleaning along Hainesville Road, around Cranberry Lake, Hainesville Meadow and along parts of Route 120, depending upon the number of volunteers. If there is another part of the village you prefer to clean up, we will supply the gloves, vests (if we have enough), bags and water. Just meet us; pick up your supplies and away you go! Feel free to pick up supplies at the Village Hall during business hours if you prefer a different date and/or time for your area clean up. Hope you can join us.

Trustee Georgeann Duberstein

**Internet and Phone Safety Event for Pre-Teens, Teens and Adults, Sunday, April 30 1:00 p.m.** at the Hainesville Village Hall, 100 N. Hainesville Road. First 25 students between the ages of 10 and 17 will each receive a free door prize ticket for a drawing for one of several I-Tunes, Amazon Prime or similar gift cards.

## BE PROACTIVE AND PREPARE BEFORE THE TORNADO "SEASON" BEGINS.

### BEFORE A TORNADO:

- Build an emergency kit and make a family communications plan.
- Be alert to changing weather conditions and listen to NOAA Weather Radio.
- Look for danger signs in the sky.

### DURING A TORNADO:

#### IN YOUR HOUSE

- Go to a pre-designated shelter area such as a safe room, basement, storm cellar, or the lowest building level. If there is no basement, go to the center of an interior room on the lowest level (closet, interior hallway) away from corners, windows, doors, and outside walls. Put as many walls as possible between you and the outside. Get under a sturdy table and use your arms to protect your head and neck.
- In a high-rise building, go to a small interior room or hallway on the lowest floor possible.
- Put on sturdy shoes.
- Do not open windows.

#### IN YOUR CAR

- Stay in the car with the seat belt on. Put your head down below the windows; cover your head with your hands and a blanket, coat or other cushion if possible.
- If you can safely get noticeably lower than the level of the roadway, leave your car and lie in that area, covering your head with your hands.
- Do not get under an overpass or bridge. You are safer in a low, flat location.
- Never try to outrun a tornado in urban or congested areas in a car or truck. Instead, leave the vehicle immediately for safe shelter.
- Watch out for flying debris. **Flying debris from tornadoes causes most fatalities and injuries.**

### AFTER A TORNADO:

- Cooperate fully with public safety officials. Your presence in certain areas without request could hamper relief efforts.
- Continue to monitor your battery-powered radio for emergency information.
- Be aware of hazards from damaged structures, exposed nails, broken glass, etc. Do not touch power lines.
- Begin your family communications plan.

Metra is conducting an online survey to ask customers, former customers and prospective customers what they think about a variety of potential fare and ticket options, including off-peak and reverse-commute pricing, one-day and seven-day passes, loyalty programs and other ideas.
